

Africa Energy Announces First Closing of Impact Transaction

VANCOUVER, BC, Oct. 22, 2020 /CNW/ - **Africa Energy Corp. (TSX Venture: AFE) (Nasdaq First North Growth Market: AEC)** ("Africa Energy" or the "Company") is pleased to announce that it has closed its previously announced transaction pursuant to an investment agreement (the "Investment Agreement") with Impact Oil & Gas Limited ("Impact") and Impact Oil & Gas SA Blocks 11B-12B Limited ("Impact 11B/12B"). Closing of the Company's investment in Impact 11B/12B in accordance with the Investment Agreement is the first stage in a series of transactions designed to increase the Company's effective interest in Block 11B/12B offshore South Africa from 4.9% to 10% (the "Transactions"), subject to various consents and approvals. Pursuant to the Investment Agreement, the Company has subscribed for new shares and has obtained control of Impact 11B/12B, which was a subsidiary of Impact immediately prior to closing, whose sole asset is a loan agreement that provides for an indirect financial interest in Main Street 1549 (Proprietary) Limited.

The Investment Agreement provides Impact with the right, for so long as it holds not less than 10% of the common shares of Africa Energy, to appoint one nominee to the board of directors of Africa Energy. The Company's Board of Directors has appointed Impact's nominee, John Anthony Copelyn, as a director of Africa Energy effective today. Mr. Copelyn is CEO of Hosken Consolidated Investments ("HCI"), a South African black empowerment company and Impact's largest shareholder. Prior to joining HCI, he was a member of Parliament in South Africa and general secretary of the Southern African Clothing and Textile Workers Union.

Adam Lundin, Africa Energy's Chairman, commented: "I would like to welcome Johnny Copelyn to the Board of Directors. His knowledge and experience in South Africa will be a great addition to the Board as we look to maximize the value of our oil and gas assets for all stakeholders."

Impact has also entered into a subscription agreement with Africa Energy to subscribe for 509,092,771 common shares of Africa Energy (the "Subscription Shares"). Closing for the remaining stages of the Transactions and the issuance of the Subscription Shares is expected to take place within the next thirty (30) days subject to the completion of certain conditions including certain filings at the UK Companies House. The Company will provide further updates once closing of the Transactions has taken place or as may otherwise be required in accordance with the policies of the TSX Venture Exchange and applicable law.
